RISSAFE: 0035000

On 02/08/2018 at 1300 hours, Detective Michael ENSTROM, Northampton County Drug Task Force, contacted SERT East requesting assistance with serving a search warrant at 340 Old Allentown Road, Bangor Township, Northampton County. ENSTROM related his Task Force has an ongoing investigation into the distribution of crystal methamphetamine that started in October 2017. During their investigation, they used a CI to make four (4) controlled buys from the main subject of their investigation, Mark ANGLEMEYER W/M-52. ENSTROM explained there are three (3) structures on the property that he is requesting SERT handle; the main residence, a trailer and a garage. ENSTROM further related that all of the buys have come from the trailer, but Mark ANGLEMEYER resides within the main residence. ENSTROM reported that he believes that eight (8) adults and one (1) teenager reside in the residence. ENSTROM said most of the adults have either a handgun(s) registered to them or have concealed carry permits. The CI reported seeing several guns in the residence and several of the adults carry guns on their person. Mark ANGLEMEYER has a criminal history to include: PWID, Simple Assault, Resisting Arrest, Escape and Fleeing and Eluding.

Additional occupants within the residence are: Jeffrey Walter ANGLEMEYER with a criminal history consisting of Firearms Violations, Theft, Criminal Mischief, Obstruction of Justice, numerous Act 64 Violations, Simple Assault, Harassment, Disorderly Conduct, Terroristic Threats, Strangulation and Resisting Arrest. Richard Conrad ANGLEMEYER, the property owner, owns a Glock 9mm, and closely monitors his property. It is reported that when police arrive at his property he often hassles them asking if they have a ticket to be on the property. Ada ANGLEMEYER, co-owner of the property, a gun query indicates she has purchased a .25 caliber handgun, and was most recently seen carrying a firearm on the property by Bushkill Twp. PD. Renae Lynn KLUSKA, who has a criminal history of Simple Assault. Joseph John KLUSKA, who has a criminal history of DUI, Simple Assault, and Disorderly Conduct. Richard "Ricky" Bradley ANGLEMEYER, a gun query indicates that he has purchased a .45 caliber handgun. Tyler TRINKLEY, is a possible occupant who is the son of Renae. Facebook video show Tyler shooting an assault style rifle into the pond on the property. Kierra KLUSKA, daughter of Renae, is seen via Facebook videos/photos holding firearms. Additionally, from Renae KLUSKA's Facebook page show videos and photographs of occupants with firearms, specifically a .50 caliber style long rifle.

It should be noted that the family is not police friendly and it is believed that the property is equipped with some type of surveillance system and alarms which allow the property owner to monitor the property.

It is also believed that there are small chihuahuas and a yellow lab on the property.

Due to the above circumstances SERT has been requested to serve a search warrant at 340 Old Allentown Road, Bushkill Township, Northampton County.

SERT East and West members will meet at PSP Belfast at 0400 hours on 02/23/18 for a briefing. After the briefing a rehearsal will be conducted and any modifications to the plan will be made at that time. At approximately 0550 hours, SERT will depart the AP and proceed to the target residence. The vehicles will be lined up as follows: East Utility Van, East Tac Van, & West Bearcat for the main structure and West Tac Van & East Bearcat for the trailer and garage of the structure.

Upon serving the search warrant, Entry team members will enter the main for the residence, via the 1-side door and a 4-side door, and systematically clear the residence. Simultaneously, Entry team members will enter the garage, via the 2-side bay door, and systematically clear the garage. After clearing the garage, Entry team members will clear the trailer. An announcement identifying SERT's presence and purpose will be made from both the West and East Bearcat's PA systems prior to and during the warrant service. Once the property is secured, SERT will release the scene to the investigators and depart the location. A debrief will be conducted at PSP Belfast.

RESULTS: Eight adults including Mark ANGLEMEYER and one 17 year old were detained as a result of this search warrant. Several weapons to include a sawed off semi-auto 10-22 Remington rifle with a homemade suppressor and box of homemade suppressor parts were observed in plain view.
